District Award Nomination

Boy Scouts of America

Grand Canyon Council

SELECTION OF NOMINEES FOR ALL DISTRICT AWARDS

Annually, Salt River District recognizes outstanding service performed by adult volunteers in the District. These individuals are nominated by the unit they serve or by any other interested party.

Nomination forms are used to furnish names of candidates to the District Awards Committee. These forms are available from our District Director or District Executive, and are available at Roundtables preceding the submission deadline. The deadline for the 2012 awards has been set for December 31, 2012, to provide adequate time for evaluation prior to the awards banquet on Saturday January 26, 2013.

The Awards Committee evaluates each nomination based on four main areas:

1. Exceptional service to Scouting (Unit, District and/or Council)
2. Exceptional service to other youth organizations
3. Awards and recognition which the candidate has previously received
4. Service in the community (religious, civic groups, fraternal groups, business).

In evaluating the nominations, the committee places weight on the content of the nomination form, rather than the technical presentation; however, each form should be as complete as possible. Any person may nominate an adult Scouter. Additional endorsements by other persons enhance the nomination.

Keep in mind that service to Scouting can take many forms, such as work relating to unit committees, camporees, and district or council activities. While years of service are important, a shorter period of exceptional service may deserve more weight than more years of less exceptional service. Other considerations might be whether the service is of lasting or transitory nature, and the number of people affected by it. Does it appear that the candidate goes the "extra mile"? Also, consider whether the candidate serves Scouting through his or her family activities, community service, and similar activities.

Use of the guidelines on the next page will be helpful in determining the appropriate District Award for which a candidate should be nominated. These guidelines should be considered as general requirements for the award.

SALT RIVER DISTRICT AWARDS SUMMARY

DISTRICT AWARD OF MERIT

This is the highest BSA Award that the District can bestow upon a dedicated adult Scouter. The maximum number of awards is determined by the number of units sponsored in the District.

Requirements:

1. The nominee must be a registered adult Scouter and have rendered noteworthy service to youth. The nature of the "noteworthy service to youth" may consist of a single plan or decisions that contributed vitally to the lives of large numbers of youth, or it may have been given to a small group over an extended time. The nominee should also have contributed some type of service to youth outside Scouting as well.
2. Consideration should be given to the nominee's position and corresponding opportunity to render outstanding service beyond the expectation of duty. The nominee's attitude toward and cooperation with the District and Council is taken into consideration.

THEO LEBARON RECOGNITION AWARD

This award is based on truly exceptional service and tenure on the District level. The award is given only when a suitable candidate is nominated. It is not required to be given each year. Nominees should have been previously awarded the District Award of Merit (if eligible).

DISTRICT HONOR AWARD

This Salt River District award recognizes registered leaders functioning in staff positions (unit committees, commissioners, Den Leader Coach, etc.) in support of the BSA program.

Requirements:

1. The nominee must be a registered adult Scouter in Salt River District for more than one year.
2. The nominee must act as a working member in a Scout unit or in a District/Council position as the "driving force" to enable Salt River District to have an exceptionally outstanding program.

DISTRICT SERVICE AWARD

This Salt River District award recognizes registered leaders working directly with the youth. This includes positions such as Cubmasters, Den Leaders, Scoutmasters, Team Leaders, Advisors, and Assistants to these positions, as well as any other position working directly with youth.

Requirements:

1. The nominee must be a registered adult Scouter in Salt River District for more than one year.
2. He/She must demonstrate outstanding performance involving the activities of one or more Scouting units. This may be as a leader in an individual unit, or it may involve service to multiple units or individuals in multiple units. This requirement demands the highest job performance in delivering an outstanding program for the youth.

DISTRICT SCOUT FAMILY OF THE YEAR

This Salt River District award recognizes a Scouting family for their efforts on behalf of Scouting, both as individuals and as a family. Both adults and youth must be registered members of the BSA and have demonstrated outstanding contributions in the last year.

SPARKPLUG AWARD

This award spotlights an individual who has been active for a year or less, and is a real spark of energy and enthusiasm within the scouting unit. This person is the stand-out, showing great promise in his or her future leadership. The Sparkplug Award recognizes and encourages their contributions. It is the first of what is hoped will be future awards for continued excellence.

Thank you to the Eagle Board for all that you do!!

Helpers are needed at the Eagle Boards held the *FOURTH* Tuesday of each month (except in December when it's held on the third Tuesday.) If you can assist or for more information – please contact Eagle Board Chairman - Jeff Koski; 480 361-3052. January Eagle Board Tuesday 1-22-13.

Please remember that final projects are due to the Eagle Board Chairman 2 weeks prior to each month's Board of Review!!

Dear Scouters and Parents:

The Eagle award is Boy Scouts' highest honor and the culmination of years of dedication and work. It can help bring a young teenager to manhood, instill in him some of the finest principles upon which Boy Scouting is based. The Eagle Project has a set procedure set down by Council that must be followed. It is very important that the Scout follow the procedure. Please make sure that your Eagle candidates are aware of the procedure as laid out in the READ THIS FIRST and Eagle Service Project Workbook found with the Eagle Packet. The Eagle Packet can be found by going to <http://www.grandcanyonbsa.org>, clicking on Advancement then on Eagle Packet. The Scout and the Unit Eagle Coach MUST read the READ THIS FIRST document and the Eagle Service Project Workbook prior to looking for a project or attempting to obtain project approval.

The Scout is expected to plan and manage the execution of the Eagle Project himself. It is recommended that each unit have an Eagle Project Coach who can assist the Scout in the process. There will be Eagle Project training at the Advancement Day, December

1. Information on Advancement Day can be found here:

<http://www.grandcanyonbsa.org/event/1109812>

The role of parents on an Eagle Project are primarily as motivators. If a Scout has a question about the process or needs advice on his Eagle Project he should go to his Eagle Project Coach or his Unit Leader. If they do not know the answer, the Scout can contact me.

Sincerely yours in Scouting,

Jeff Koski
